Docket A: Domestic Bill 4613
A Bill to Enact a Policy of Expediency for the Approval of Certain Therapy

Be it enacted,

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:
1. SECTION 1. The United States Food and Drug administration should enact a policy of
2. annual expediency for medical therapies deemed necessary to remedy a substantial
3. public health crisis(es). Determined by an independent board cycled through yearly;
4. selected at an annual meeting of the governors.
5.
6. SECTION 2. Public health crisis should be defined as a nationally widespread health
7. emergency. Annual should be defined as yearly, and meeting should be defined as an
8. official dedicated convening to the purpose of determining the independent review board.
9.
10. SECTION 3. The Food and Drug Administration’s Independent Board will enforce this
11. policy, with a meeting of State and Commonwealth Governors determining the oversight
12. within the Food and Drug Administration.
13.
14. Each Commonwealth Governor, along with the Mayor of the District of Columbia will
15. nominate one member for each board, subject to panel questioning, with vote by verbal
16. acclamation of the entire meeting. A governor acting as chairperson will determine the
17. winner of the vote, and will be cycled through yearly by clause of recency.
18. If the vote fails, the membership position will remain vacant until the next meeting.
19.
20. SECTION 4. This policy will take effect January 1st, 2021 AD, with the first meeting of
21. the Governor's occurring in December of the calendar year.
22.
23. SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

A Bill to Increase the Efficiency of Wildlife Conservation

Be it enacted,

LINE 01: BE IT ENACTED BY THE STUDENT CONGRESS HERE ASSEMBLED THAT:

LINE 02: SECTION 1. All registered zoos in the United States are hereby required to create a property adjacent to the zoo or near the zoo that consists of natural wilderness. These properties will be turned into Protected Wildlife Zones in which animals native to the area that are endangered are to be protected. The zones will be at least five square miles in diameter and appropriately fenced.

LINE 09: SECTION 2. A. The zoo that owns the property will be responsible for ensuring the safety of the animals in the Protected Wildlife Zones. At the zoo’s discretion, the following may be done:

LINE 13: I. An appropriate amount of animals in the region (number to be determined by National Parks Service) may be moved to the Protected Wildlife Zone

LINE 16: II. National Parks Service Rangers may be sent to ensure the security of the Protected Wildlife Zone

LINE 18: III. Tax breaks may be provided to private zoos in order to assist with the cost of the Protected Wildlife Zone

LINE 20: B. The National Parks service will review each of these Protected Wildlife Zones upon opening to ensure the animals’ needs are met and everything is in order. The National Parks Service may also at any time over-turn any of the clauses in Section 2 on a zoo by zoo basis with reasonable cause.

LINE 25: SECTION 3. The National Parks Service shall be responsible for enforcing this bill. The punishment for non-compliance with this bill shall be the closing of said zoo immediately.

LINE 28: SECTION 4. The provisions of this bill shall take effect immediately after passage with a four month grace period after passage for zoos to prepare the Protected Wildlife Zones.

LINE 31: SECTION 5. All laws in conflict with this legislation are hereby declared null and void.

Runoff Buffer Act

Be it enacted,

A Bill that requires Farm Owners to
Buffer any fields that belong to them and are being fertilized on an industrial scale.

BE IT ENACTED BY THE CONGRESS HERE ASSEMBLED THAT:
SECTION 1. This policy states that farms must provide a buffer around the border of fields being fertilized on an industrial scale.
SECTION 2. A buffer is a strip of perennial vegetation or clear soil that would dampen runoff from large farms. It, in this case, is to be a minimum of 20 feet wide, and must be unfertilized, to maximize absorption.
SECTION 3. This will be enforced by the EPA bill along with the specific enforcement mechanism. Legal actions will be taken against all persons who have violated this in order to enforce this, ultimately forcing them to pay for damages, through order of a judge.
SECTION 4. This would be put into effect on July 1st, 2020. Notices will be given on April 1st, 2020, in order to give citizens responsible for farm land a time frame to implement measures onto their property.
SECTION 5. All laws in conflict with this legislation are hereby declared null and void.
