A Resolution to Amend H.R.5774 - Combating Opioid Abuse for Care in Hospitals Act of 2018 to Improve Public Safety Through the Limitation of Government Involvement

Be it resolved,

Line 1 WHEREAS, currently, the United States Government is very active in and closely line 2 monitors the distribution of drugs classified as opioids, the restrictions imposed have Line 3 proven to pose an even greater risk to public health and safety. However, the number of Line 4 opioid-related deaths has drastically risen over the course of the past two decades as a Line 5 result of stigma, crime, and the illicit dealings of these drugs when safe, legal supplies are cut off. Line 6 WHEREAS, the Government’s involvement in and aggressive prosecution of pain Line 7 management facilities, and the demonization of pain-relieving substances has created a Line 8 stigma and posed an even greater risk to public health. Line 9 WHEREAS, due to the stigma involved with addiction, those suffering from an Line 10 addiction are less likely to get help, making them more prone to overdose. Also, the Line 11 aggressive restriction and demonization of these medications has made it so that Line 12 individuals suffering from an addiction are forced to supplement their need with illicit and Line 13 impure drugs bought illegally, further increasing their risk of overdose through misinformation. Line 14 WHEREAS, opioid addiction is most definitely a prevalent issue, the harsh penalties Line 15 and restrictions placed on pain management facilities make it increasingly difficult for Line 16 those with addictions to be recognized and receive help, as well as persons in need of Line 17 treatment for their pain are unable to be properly treated for their pain. Line 18 RESOLVED, the Government should still monitor and restrict the production and Line 19 distribution of opioids, but do so in a way that would reduce the demonization of persons Line 20 suffering from addiction, and giving those suffering from pain the ability to ease that suffering. Line 21 FURTHER RESOLVED, in the interest of public safety and health, the United States Line 22 Government should increase resources put towards addiction education in schools and to Line 23 the public, and make counselling and addiction recovery services easily accessible to those Line 24 in need of them.
